NOVEMBER

École Connaught Connections

Hello Families

November is here and it's hard to believe how quickly the school year is moving along! As we head into this next month, we look forward to taking time to reflect on the importance of Remembrance Day and honouring those who have served and sacrificed for the peace and freedoms we enjoy today. It's an important opportunity to help our students understand the value of kindness, gratitude, and peace.

We look forward to another wonderful month of learning and growing together at École Connaught!

SKATING AT THE MOOSE

Kindergarten to grade 6 students will get to enjoy skating over the next few months, beginning in November. Students will be walking two blocks to The Moose indoor rink. Keep an eye out this week for your child's permission form and please detach the included schedule prior to returning the form.

A friendly reminder that all students must have ice skates and a CSA-approved helmet to enjoy their time on the ice safely. If your child's class has requested volunteers to skate with students, volunteers must also wear skates on the ice. Please note that scheduled ice times are reserved for the classes booked during those times. We also kindly remind families that, for safety and liability reasons, siblings are not permitted to participate in class skating sessions.

Thank you for your understanding and for helping us keep skating safe and enjoyable for everyone!

SAVE THE DATE!

Our Winter Family Fun Night is just around the corner! Be sure to mark the evening of Thursday, December 10th on your calendar and plan to join us for some Christmas fun and games.

Our Leaders are making a special drop-off at the Root Cellar this week thanks to the support of our families!

Merci! from Mme Madsen's class. For your kind donations to our Mitten Drive! We'll be able to help keep students' hands warm this winter!

Peek of the week

Students shared their artistic talents and created character art for Mme Sinclair to showcase in the library. During the book Fair, students were invited to vote on their favourite. Congratulations to Addy in 4B whose drawing took the win! Thank you to all the artisits - we are enjoying your beautiful work around the library!

Thank you!
for supporting our book fair!

We hope everyone had a spook-tacular Halloween! With all those extra goodies around, a friendly reminder to enjoy Halloween treats in moderation and pack a healthy lunch to keep us fueled and ready to learn!
